

CAMP LIBBEY LETTERBOXES

BROWNIE BONANZA

Placed during 2013 Resident Camp

Go to the oldest building on camp. Once there find kindling and fuel between the cabin and the sign. Be sure to look in, out, over and under, that is where you will find your prize

DAISY'S BOX

Placed by Cadette Troop 10760 at Troop Camping weekend Nov. 21, 2009

Start at the Clusters, walk past the fire ring to the Daisy Trail sign. Follow the Daisy trail until you see the Frontier Shelter House on the right across the ravine. Walk directly towards the shelter, do not cross the ravine. Look for a tree with a split in it. The letterbox will be within your reach. Be careful of poison plants.

FIRE STARTER

Placed during Black Swamp SU Leader/Daughter Overnighter 2015

It's made up of three where a "Cluster" may be. In order to enjoy a delicious Girl Scout treat, you melt on a stick. You must first go to this place, it holds the "fuel" you need to get started. Look behind me, above me or under me and you will find what you're seeking.

HAPPY MEALS

Start at the Craft House. Find the place where "Peace May Prevail" Go to the place where you cannot touch! Ring! Ring! Ring! Is there a letter from home? Go where you get snail mail. Turn right, go to the last window, your box is under where your wheels would go.

CAMP LIBBEY LETTERBOXES

KEEP WARM

Start at the Woodland sign. Then walk to the nearest fence. Follow the angle of the end edge of the sidewalk to the first tree you run into. Then by the wall she lays.

THE ONE AND ONLY

Over in Woodland parking lot, there is a spot you can't park, start there. Head south to find our founders name. From her sign go clockwise around her cabin about half way. Look for Our two fallen forest friends. One of them holds a prize for you.

RACCOON TEAM WORK BOX

Placed by Troop during troop camp weekend June 18, 2018

You begin this hunt where the dining hall camp fire happens at night. Find your way to the Founders cabin. Gather around the big circle, perfect for s'mores and sing your favorite camp songs. Look north. This letterbox is seeking shelter from a storage filled with fuel.

VAST FRONTIER

Placed by Brownie Troop 10281 as part of their Letterboxing badge at TAC July 3, 2012

As did many of our Forefathers – Head to the vast "Frontier" seek shelter and learn.
