

Whip Poor Will Letterboxing Clues

1. In the summer we jump in here to cool off, too bad the diving board is gone. Look around the blue building for your box.
2. Go to the place where we see Old Glory. From there, take 30 paces towards the trees (back facing the dining hall).
3. There's a special place on camp where we sing, perform skits and hold campfires. Look where you'd sit there for the box.
4. There's a swinging bridge between Aspen and Knoll, check it out!
